## COVID-19 Update – Action Required by Families

Thursday, March 12, 2020  
4:17 PM

Dear Pines Families,

Just like you, we are waiting to see what the news brings us regarding the spread of COVID-19. Spring Break at Pines is our time for the school to receive its deep clean, and we are ready for school on Monday the 16<sup>th</sup> as of this writing. Should something change, we will email you, post it on our websites and Facebook, and change our outgoing school phone message.

In the meantime...

- Please contact Ms. Patty at [psobelman@pinesmontessori.com](mailto:psobelman@pinesmontessori.com) or call the school office at 281.358.8933 if
  - you traveled to China, Iran, Italy or South Korea **or**
  - if you or a family member have been in close contact are ill in any way **or**
  - if you are not attending school next week for whatever reason.

**It is important that we know where all 184 of our children and their families are.**

We want you to know that we are monitoring this situation as closely as you are. Truly, the only way we can all keep safe is to be honest, keep all ill children home, and wash and clean thoroughly. We assure you that we are requiring the same of our faculty and staff.
